GT-313-A2 桌上型數字式厚度計 Digit Thickness Gauge

適用於皮革類、紙類、紡織類、橡膠類等材料的厚度測定方法。將試樣置於下壓盤上，上壓盤以規定壓力施加在試樣上，通過百分錶指示被測材料之厚度。

The GT-313-A2 is designed for measuring the thickness of materials, including leather, paper, textile, and rubber. This thickness gauge applies a specified mass of weight to a specimen placed between the upper and lower platens and determines its thickness based on the reading displayed on the indicator.
